Awakening the Spine - HarperCollins

Vanda Scaravelli was inspired to move and change the Western posture in a way that brought us more into an awareness of the spine and its connection to the limbs. The term ‘Scaravelli inspired yoga’ was originally suggested by Diane Long, a student of Vanda’s for 25 years, as being a more appropriate way of describing her own teaching.

scaravelli yoga

For this reason, Vanda was torn about whether to title her book “Awakening the Spine” or “Reawakening the Spine.” The capacity that Vanda’s yoga touches is present in all of us, just waiting to be given the conditions to flourish.
