Creative Writing Page - Banbridge Academy

This book was written to combine the ideas and work of many writers and lecturers of creative writing to expand, not only the theory of the art, but the practice of it as well. With discussions covering many forms of writing such as short stories, poetry, novels, non-fiction and essays, this book was produced to share the knowledge of multiple writers' workshops into one.

Key to this process is getting students to read their creative writing from start to finish. Important note: if your students are using a word processor, show them where the spell-check is and how to use it. Sounds obvious, but in the age of autocorrect, many students simply don't know. A final word on teaching creative writing
