Bone Wars: The Excavation and Celebrity of Andrew Carnegie ...

The end result of the Bone Wars was that each exhausted their respective fortunes. Cope had to sell part of his collections. Marsh had to mortgage his house and beg Yale for a salary, the endowment from his uncle having been spent. Today, Cope is regarded as the more intellectual of the two, but is regarded as careless.

The Bone Wars - Wyoming Tales and Trails

A History of the Bone Wars. Edward Drinker Cope. Here at the Academy of Natural Sciences of Drexel University in Philadelphia, the story of the so-called Bone Wars is well known. In short, the Academy's Edward Drinker Cope (1840-1897), also affiliated with U. Penn, and Yale University's Othniel Charles Marsh (1831-1899), also affiliated with the United States Geological Survey, were both prolific, well respected paleontologists.

This Means War! A History of the Bone Wars - Biodiversity ...

Bone Wars: The Cope-Marsh Rivalry - The Academy of Natural Sciences of Drexel University. The rivalry between brilliant paleontologists Edward Drinker Cope and Othniel Charles Marsh dominated American science during the second half of the 19th century. Marsh and Cope's relationship soured when Cope showed off his fossil of *Elasmosaurus*, a large marine reptile from the Late Cretaceous period, and Marsh pointed out that the vertebrae (backbones) were oriented backwards.
