Bridget Jones, beloved Singleton and global phenomenon, is back with a bump in Bridget Jones's Baby: The Diaries. 8:45 P.M. Realize there have been so many times in my life when have fantasized about going to a scan with Mark or Daniel: just not both at the same time. Before motherhood, before marriage, Bridget with biological clock ticking very, very loudly, finds herself unexpectedly pregnant at the eleventh hour: a joyful pregnancy which is dominated, however, by a crucial but terribly awkward question – who is the father? Mark Darcy: honourable, decent, notable human rights lawyer? Or Daniel Cleaver: charming, witty, notable fuckwit? 9:45 PM It ' s like they ' re two halves of the perfect man, who ' ll spend the rest of their lives each wanting to outdo the other one. And now it ' s all enacting itself in my stomach. In this gloriously funny, touching story of baby-deadline panic, maternal bliss, and social, professional, technological, culinary and childbirth chaos, Bridget Jones – global phenomenon and the world ' s favorite Singleton – is back with a bump.

The original multi-million bestselling phenomenon, now including over 100 pages of rare and unpublished material to celebrate twenty-five years of the inimitable Bridget Jones.

When Helen Fielding first wrote Bridget Jones ' s Diary, charting the life of a 30-something singleton in London in the 1990s, she introduced readers to one of the most beloved characters in modern literature. The book was published in 40 countries, sold more than 15 million copies worldwide, and spawned a best-selling sequel, Bridget Jones: The Edge of Reason. The two books were turned into major blockbuster films starring Ren é e Zellweger, Hugh Grant and Colin Firth. With her hotly anticipated third instalment, Bridget Jones: Mad About the Boy, Fielding introduces us to a whole new enticing phase of Bridget ' s life set in contemporary London, including the challenges of maintaining sex appeal as the years roll by and the nightmare of drunken texting, the skinny jean, the disastrous email cc, total lack of twitter followers, and TVs that need 90 buttons and three remotes to simply turn on. An uproariously funny novel of modern life, Bridget Jones: Mad About the Boy is a triumphant return of our favourite Everywoman.

With another devastatingly hilarious, ridiculous, unnervingly accurate take on modern womanhood, Bridget Jones is back. (v.g.) Monday 27 January \*7:15 a.m. Hurrah! The wilderness years are over. For four weeks and five days now have been in functional relationship with adult male, thereby proving am not love pariah as recently feared." Wednesday 5 March \*7:08 p.m. Am assured, receptive, responsive woman of substance. My sense of self comes not from other people but . . .from . . .myself? That can't be right." Lurching from the cappuccino bars of Notting Hill to the blissed-out shores of Thailand, everyone's favorite Singleton Bridget Jones begins her search for The Truth in spite of pathetically unevolved men, insane dating theories, and Smug Married advice. She experiences a zeitgeist-esque Spiritual Epiphany somewhere between the pages of How to Find the Love You Want Without Seeking It (can self-help books really help self?), protective custody, and a lightly chilled Chardonnay.

\*\* The funniest book of the year \*\*\*\* The new Bridget Jones novel\*\*8.45 P.M.Realise there have been so many times in my life when have fantasised about going to a scan with Mark or Daniel- just not both at the same time.Before motherhood, before marriage, Bridget, with biological clock ticking very, very loudly, finds herself unexpectedly pregnant at the eleventh hour- a joyful pregnancy which is dominated, however, by a crucial but terribly awkward question - who is the father? Reading level: 5 [blue].

Pride and Prejudice is one of the best known books by English author Jane Austen. It was first published in 1813, and remains very popular over two hundred years later. The book tells the story of Elizabeth Bennet, a young woman who lives in rural England. Her mother's main ambition is to see her, along with her four sisters - Jane, Mary, Catherine, and Lydia - married off to wealthy men. At a ball, Elizabeth meets Fitzwilliam Darcy, a wealthy, handsome, intelligent man. He dances with Jane and does not seem attracted to Elizabeth. However, as the story progresses and they become more acquainted with each other, he finds himself falling for her, and she realises that under his proud and aloof exterior, he is a kind and decent man. Despite the obstacles in their way (including the jealous, snobby Caroline Bingley, who has her eyes on Darcy herself and believes that Elizabeth does not have enough social standing to marry him), the two get together, much to the happiness of Mr and Mrs Bennett. At the heart of it, this is a romance book, but it is also considered by some to be a satire in it's depiction of marriage, manners, etc, in early nineteenth century England. At a time when marriage within wealthy families was more about social status, the story departs from this - Elizabeth and Darcy fall in love. In fact, she only accepts his proposal when she is certain about that love

This is an excellent guide to Helen Fielding's genre-defining novel. It features a biography of the author, a full-length analysis of the novel, and a great deal more. If you're studying this novel, reading it for your book club, or if you simply want to know more about it, you'll find this guide informative and helpful. This is part of a new series of guides to contemporary novels. The aim of the series is to give readers accessible and informative introductions to some of the most popular, most acclaimed and most influential novels of recent years - from ' The Remains of the Day' to ' White Teeth'. A team of contemporary fiction scholars from both sides of the Atlantic has been assembled to provide a thorough and readable analysis of each of the novels in question.
