Girl Magic. After her mother dies in an accident, sixteen-year-old Bree Matthews wants nothing to do with her family memories or childhood home. A residential program for bright high schoolers at UNC-Chapel Hill seems like the perfect escape—until Bree witnesses a magical attack her very first night on campus. A flying demon feeding on human energies. A secret society of so called “Legendborn” students that hunt the creatures down. And a mysterious teenage mage who calls himself a “Merlin” and who attempts—and fails—to wipe Bree’s memory of everything she saw. The mage’s failure unlocks

Bree's own unique magic and a buried memory with a hidden connection: the night her mother died, another Merlin was at the hospital. Now that Bree knows there's more to her mother's death than what's on the police report, she'll do whatever it takes to find out the truth, even if that means infiltrating the Legendborn as one of their initiates. She recruits Nick, a self-exiled Legendborn with his own grudge against the group, and their reluctant partnership pulls them deeper into the society's secrets—and closer to each other. But when the Legendborn reveal themselves

Art Savvy is a systematic approach to understanding art. It gives you methods to assess a design and really see what the artist was doing. Unlike chaotic art writings, terms are clearly defined, categorized, organized and illustrated. It is designed to answer questions like: What things will allow me to understand art? What are the basic elements? What is concept art? Can you "read" a work of abstract art? Visual literacy is the ability to interpret, negotiate, and make meaning from information presented in art

work. Art Savvy gives you this. Defining Terms: Often art terms are not clearly defined, are used interchangeably or get mixed up with other types of analysis. For a thorough exploration of all aspects of art, photos of great works are referenced with color keyed notations to illustrate the 5 easy pieces: 1. Design Elements- Visual grammar, line, shape, form, mass etc. - definitions & how to see them. 2. Organization Principles- How elements are arranged and how this effects the concept. 3. Style- Relation to other groups of work and formulas

for design. 4. Technique- How methods and materials are used to impact the concept. 5. Concept- What this piece about. What major themes and elements were used. Assessment techniques in each section of Art Savvy will train your eye to always see these 5 aspects of any artwork. It is not attempting judgments of relevance, philosophy, spiritual meanings and other ethereal aspects that a work may convey. This text poses the question: "What is the basic concept here?" but sticks to pure analysis and leaves all judgment to you and the experts. This field guide is a mini textbook on

Five years ago, Benji Green lost his beloved father, Big Eddie, when his truck crashed into a river. Everyone called it an accident, but Benji knows it was more. Even years later, he's buried in his grief, throwing himself into managing Big Eddie's convenience store in the small-town of Roseland, Oregon. Surrounded by his mother and three aunts, he lives day to day, struggling to keep his head above water. But Roseland is no ordinary place. With ever more frequent dreams of his

father's death and waking visions of feathers on the river's surface, Benji finds his definition of reality bending. He thinks himself haunted; by ghosts or memories, he can no longer tell. Not until a man falls from the sky, leaving the burning imprint of wings on the ground, does Benji begin to understand that the world is more mysterious than he ever imagined--and more dangerous. As uncontrollable forces descend on Roseland, they reveal long-hidden truths about friends, family, and the stranger Calliel--a man Benji can no longer live without.

The coach knew he shouldn't be watching... TJ has a case of "culture shock" when he enters college. He loses his girlfriend, cannot focus on his basketball and is losing grip on his grades. In short, he is in trouble. He is lucky enough to have his coach give him a pep talk and recommend a good tutor, which helps him enormously. But not having a girlfriend is giving him difficulty in the lower region, and he finally finds a place to relieve himself. He finally finds a balance between the three, giving each his full attention. And then he finds out that he really isn't paying attention to what can

He was running his soapy fingers over his nipples. His nipples responded to the attention and grew hard as did his dick. His hand slid down his smooth chest down over his flat belly down into his pubes. He ran the soap through his brown pubes and under to his balls. He cupped his balls as his other hand began to slide up and down his hardening cock... SAMPLE 2: He was quite surprised by the

sight. TJ was standing there letting the water run over his naked body. His fist was wrapped around his rock hard cock. His other hand was cupping and fondling his balls. His fist was pumping up and down his boy meat fast and hard. The coach watched the boy jacking his cock. Coach watched as TJ was squeezing his balls as he stroked that rock hard young cock. It was quite a hot sight. His cock was growing hard inside his pants. The sight of the naked kid stroking his hard cock was sending surges into the Coach's own dick. story delves deeply to explore the very nature of thinking and emotions themselves and our relationship to them as human beings. What is real? What is illusion? Who ARE you? Is it possible to be freed from the "thought maze" that typically entangles a person in their everyday life? Through the protagonist's journey the larger picture of personal identity and its relationship to thoughts and feelings is revealed, as he unknowingly discovers a key tool of self-awareness that the reader will also be able take away for everyday use on their own spiritual path.
