The authorities conduct the exam throughout the year. To appear for the exam candidate will need to fill the application form.

Twenty first Century is better known as computer century. It would not be exaggeration if we say that no civilized life without computer. Computer revolution has completely changed our life style. It has played a vital role in our routine activities. It facilitates the hour's work in minutes. Internet or e-mailing is like a magic stick that make our contacts possible with the persons living abroad. 'World is small' this has been truly proved by communication revolution. We cannot neglect the role of computers in all the service sectors and corporate world. This is the reason why in various competitive exams computer course has become mandatory. This book is strictly based on latest syllabus of DOEACC. In addition to appropriate study material we have given a number of MCQs and True False related questions. Sample Test Papers and Model Test Papers make us different from other publications on the same line. Wishing you all the best for the exams. - Publisher & Author

About the Book: Courses on Computer Concepts We cant neglect the fact that computer has become synonym of our life style. It will not be exaggerated if we say that there is no civilized life without computer. Keeping in view the importance of computer some states like U.P. have made the computer subject compulsory to take entry in Government Services. Some other states are also likely to announce it. In the states that have made computer science subject mandatory the course is decided by the competent authority. Keeping in view the demand of such course book we have published a book on the computer concepts. This book is named as Course on Computer Concepts. The book is strictly based on the latest syllabus and pattern laid by DOEACC. In this book we have covered all the topics like introduction of computer, MS Word, MS Excel, Presentation, spread sheets, MS Powerpoint, MS Access, Computer security, GUI based MS Dos, Window 7, XP, Internet etc. A Number of Sample Papers will Model Test Papers, MCQ and true-false related question given in the Book make us different and our product more valuable then the product of the same line available in the market. We hope this book will prove as boon to the aspirant.
