Chapman Piloting - Wikipedia

Chapman Piloting and Seamanship is a comprehensive reference to all that a captain could be expected to know. Specialist books may go into more detail, but this book puts it all in one place, and I wouldn't substitute this book for instruction from an experienced hand.

Chapman Piloting & Seamanship, 68th Edition (Chapman ... Continuously updated to reflect ever-advancing technology, Chapman Piloting, Seamanship & Small Boat Handling remains the most comprehensive and authoritative reference guide to recreational boating after three quarters of a century. More than 1,500 photographs and drawings illustrate all the information necessary to own and operate a seaworthy boat.
