A comprehensive guide, The Complete Herb Encyclopedia provides detailed information on over 600 varieties of herbs. You will find an array of ideas for using herbs for cooking, healing, aromatics, cosmetics and dyeing. Also included are tips on the cultivation and propagation of herbs for your own garden. Illustrated with hundreds of beautiful color photographs, this volume also includes symbols to help you get the information at a glance, and both Latin and common English names for each herb. This lovely book is an invaluable resource for both novice and veteran in the world of herbs.

"550 herbs and remedies for common ailments"--Cover.

Also known as "The Natural Remedy Bible," The Herb Book provides a comprehensive resource for building a livelier, healthier, happier life. More than 2,000 listings offer remedies for ragged nerves, nightmares, and coughing fits as well as suggestions for adding spice to recipes, coloring fabrics, freshening breath, and a host of other benefits. Complete and concise descriptions of herbs, illustrated by more than 275 line drawings, offer the most comprehensive catalog of "miracle plants" ever published. Written by an expert and pioneer in the field, this easy-to-use reference features three parts. The first presents introductory historical information and background for using the rest of the book. The second part features individual numbered listings of medicinal plants with their botanical descriptions and uses. The third part emphasizes the variety of uses for the plants listed in Part 2, including mixtures for medicinal treatments, nutritious and culinary plants, cosmetic and aromatic purposes, plant dyes, and other applications. The book concludes with a captivating look at plant-related astrology, lore, and legends. Dover (2014) republication of the edition originally published by Benedict Lust Publications, New York, 1974. See every Dover book in print at www.doverpublications.com

This beautifully illustrated, complete guide to herbs unlocks the secrets of these wonder plants—from planting and harvesting to cooking and storing—including their health benefits. Now you can discover the joy and pleasure of growing your own herbs—for spicing up meals, creating crafts, treating ailments, and more. In this comprehensive and beautifully illustrated herbal guide you'll find information on their history, cultivation, propagation, and harvesting, along with a wealth of great ideas for using herbs everyday in a variety of ways. This guide unravels the mysteries of these versatile plants, with savvy tips and simple formulas for maximizing their powers. Did you know? · Mint can repel ants, flies, mice, and moths · Garlic can seriously lower cholesterol · Chives, fennel, tarragon, thyme, oregano, and winter savory are perennials · Rosemary was used in the Middle Ages for its tranquilizing effects, and it is still a digestion aid Known for alleviating common ailments, herbs are an ancient natural wonder—herbs are hotter than ever.
