Freedom to Learn (Rogers – 1969) Rogers is recognized as one of the founders of human psychology, having developed the client centered approach to counseling and psychotherapy which has been widely used (Rogers, 1983, p. iii). In comparison with the foregoing theories of human motivation and agency, his theory of human learning, which will be summarized in this section, is broader in scope, and addresses not just the means by which a person is motivated, but the learner as a whole person.

Freedom to Learn (Rogers – 1969) | Principles of Learning

Carl Rogers was an inspiration to me when I trained (1970s) to be a teacher. I have taught in many difficult schools and have seen nothing to persuade me away from his student-centred approaches. What is required is the bravery of educational systems to try out over long periods the Rogerian methods. In so doing everyone is freed-up and modern sterile systems can become dynamic and joyful.
