A beautiful gift edition of this instant classic exclusively for graduates, with a special letter from Eric Metaxas to those entering the next phase of life ' s journey. What makes a great man great? In *Seven Men*, New York Times bestselling author Eric Metaxas explores that most important of questions in through the captivating stories of some of the greatest men who have ever lived. How did George

Read Book Greatness Is Upon You

Washington resist the temptation to become the first king of America, and why did William Wilberforce give up the chance to be prime minister of England? What made Eric Liddell cast aside an almost certain Olympic gold medal? What enabled Jackie Robinson to surrender his right to fight back against racists, or Dietrich Bonhoeffer to jeopardize his freedom and safety to defy the Nazis? In this stirring and inspiring work, Eric Metaxas reclaims a long-lost sense of the heroic--the idea that certain lives are worthy of emulation. Get to know the seven men in this book, and your life will be immeasurably richer.

“ God opposes the proud but gives grace to the humble. ” —1 Peter 5:5
A battle rages within every one of us every day. It ' s the clash between our

Read Book Greatness Is Upon You

sense of stubborn self-sufficiency and God ' s call to recognize that we ' re really nothing without Him. It ' s pride versus humility. And it ' s a fight we can ' t win without looking repeatedly to Christ and the cross. C. J. Mahaney raises a battle cry to daily, diligently, and deliberately weaken our greatest enemy (pride) and cultivate our greatest friend (humility). His thorough examination clarifies misconceptions, revealing the truth about why God detests pride and turns His active attention to the humble. Because pride is never passive, defeating it demands an intentional attack. The blessing that follows is God ' s abundant favor.

“ This is the one to whom I will look: he who is humble and contrite in spirit. ” —Isaiah 66:2, ESV God clearly states that He is drawn to the

Read Book Greatness Is Upon You

humble. He ' s also clear that He opposes the proud. These two, humility and pride, cannot coexist. Where one is fostered, the other is defeated. Which will you pursue? When you acknowledge the deception of pride and intentionally humble yourself, you become free to savor abundant mercies and unlikely graces. You will find a new life is yours—a life God richly favors. A God-glorifying life you don ' t want to miss.

In *I Got This*, I share my personal journey and struggles in life that lead to becoming successful and achieving greatness. It's a story of overcoming various challenges and obstacles, many of which were self-induced, and coming out on top in the end. This book aims to teach others about the nuances of my experiences and

Read Book Greatness Is Upon You

mistakes and apply several lessons learned to your own life. You are capable of greatness and you can achieve success in many different shapes and forms. You will be offered several positive tips which, upon application, you can use to achieve your own version of greatness with hard work and self-belief.

Why does modern life revolve around objectives? From how science is funded, to improving how children are educated -- and nearly everything in-between -- our society has become obsessed with a seductive illusion: that greatness results from doggedly measuring improvement in the relentless pursuit of an ambitious goal. In *Why Greatness Cannot Be Planned*, Stanley and Lehman begin with a surprising scientific discovery

Read Book Greatness Is Upon You

in artificial intelligence that leads ultimately to the conclusion that the objective obsession has gone too far. They make the case that great achievement can't be bottled up into mechanical metrics; that innovation is not driven by narrowly focused heroic effort; and that we would be wiser (and the outcomes better) if instead we whole-heartedly embraced serendipitous discovery and playful creativity. Controversial at its heart, yet refreshingly provocative, this book challenges readers to consider life without a destination and discovery without a compass.

Chronicles Abraham Lincoln's success at turning the Civil War to the North's favor during the year of 1862.

Chosen to witness His Greatness is

Read Book Greatness Is Upon You

about gaining a greater understanding of the truth that God wanted you for Himself before your existence. The book highlights the needed sacrifice of Jesus Christ as God ' s overall intended plan to birth a generation of sons and daughters from His Spirit. The acceptance of God ' s wisdom by receiving the final work of His son Jesus, grants any human being the right to live on this earth under His protection. The book highlights the importance of studying God ' s word with the mindset that the scriptures are meant to reveal the evidence of His love and the enemy ' s plan to distract and detour believers by using emotions, shame, guilt and even loved ones to cause Christians to question the righteousness that is given free in Christ Jesus graciously.

Read Book Greatness Is Upon You

The Presidency has always been an implausible—some might even say an impossible—job. Part of the problem is that the challenges of the presidency and the expectations Americans have for their presidents have skyrocketed, while the president's capacity and power to deliver on what ails the nation has diminished. Indeed, as citizens we continue to aspire and hope for greatness in our only nationally elected office. The problem of course is that the demand for great presidents has always exceeded the supply. As a result, Americans are adrift in a kind of Presidential Bermuda Triangle suspended between the great presidents we want and the ones we can no longer have. The End of Greatness explores the concept of greatness in the presidency and the

Read Book Greatness Is Upon You

ways in which it has become both essential and detrimental to America and the nation's politics. Miller argues that greatness in presidents is a much overrated virtue. Indeed, greatness is too rare to be relevant in our current politics, and driven as it is by nation-encumbering crisis, too dangerous to be desirable. Our preoccupation with greatness in the presidency consistently inflates our expectations, skews the debate over presidential performance, and drives presidents to misjudge their own times and capacity. And our focus on the individual misses the constraints of both the office and the times, distorting how Presidents actually lead. In wanting and expecting our leaders to be great, we have simply made it impossible for them to be good. The End of Greatness takes a

Read Book Greatness Is Upon You

journey through presidential history, helping us understand how greatness in the presidency was achieved, why it's gone, and how we can better come to appreciate the presidents we have, rather than being consumed with the ones we want.
