With three months remaining of her marriage of convenience, Savannah is ready to say goodbye to her spoiled rich boy of a husband. He's annoying and argumentative and used to always getting his way. Sure, he's hot. And maybe occasionally a little bit sweet. But she doesn't want to stay married to him. Not at all. He needed a wife for a year so he could inherit his grandmother's fortune, and she needed to pay off her family's debts. That's all their marriage has ever been about. So she really needs to stop falling into bed with him.

Summer McGallian ... the scandalous home wrecker from *Against the Wall* and *Between The Sheets*. The one who stole her co-worker's fiancé, the other woman, the one people whisper about and stay away from. Only for Summer, things aren't always as they appear and she knows that better than anyone. She hasn't been herself since she was in high school, when life was less complicated and relationships weren't about making compromises to land the guy. When her heart is broken, there's only one thing left for her to do ... prove she isn't who everyone thinks she is. And maybe, just maybe, she can get back to being comfortable in her own skin again, without input from a man. But when she encounters Sexy Guy, Dean Michaels, everything Summer has ever known about the opposite sex is about to change. Dean Michaels knew he'd seen her somewhere before. What he never imagined was that the gorgeous woman in a baseball cap and hooded sweatshirt tossing back a beer in his favorite spot could be Summer McGallian—the woman who always looked like she'd stepped off the pages of a glamour magazine when he'd seen her from afar at work. And to make matters worse, she's Chase Marino's ex, the one guy who gets under his skin like no other. If the thought of being someone's bitch in jail wasn't enough to scare him, he would've strangled that bastard years ago and tossed the body in the Mojave Desert. But forget about Chase ... Dean knew from the moment he saw Summer's sexy smile and heard her cute laugh, she had to be his. And he won't let anything get in the way of that. The *Against The Wall* series isn't just about steamy sex scenes and swoon-worthy romance, but about new friendships, undying love, and a ton of laughter. Enjoy the ride as you get to know and love Summer and Dean, just as you did Shelly and Matt, and Melissa and Tyler, in the final book, *Straddling The Edge*.

While investigating the discovery of seven corpses in the streets of a Dragon's fief, Kaylin Neya discovers that an ancient evil is preparing to cross over the borders of Elantra and that she must use every skill she's ever learned to save the people she has sworn to protect. Original.

Mary Jo Putney's riveting *Lost Lords* series unleashes a high stakes royal plot--which may prove easier for Damian Mackenzie to handle than his own unruly desire. . . He's a bastard and a gambler and society's favorite reprobate. But to Lady Kiri Lawford he's a hero--braver than the smugglers he rescues her from, more honorable than any lord she's ever met, and far more attractive than any man has a right to be. How can she not fall in love. . .? But Damian Mackenzie has secrets that leave no room in his life for courting high-born young ladies--especially not the sister of one of his oldest friends. Yet when Kiri's quick thinking reveals a deadly threat to England's crown, Damian learns that she is nowhere near as prim and respectable as he first assumed. . .and the lady is far more alluring than any man can resist. . . Praise for *Loving a Lost Lord* "Intoxicating, romantic and utterly ravishing. . ." --Eloisa James "Entrancing characters and a superb plotline. . ." --Publishers Weekly, starred review "Will leave readers smiling, breathless, and anxiously awaiting the next adventure. . ." --Library Journal, starred review "Romance at its best!" --Julia Quinn
