Targeted skills development exercises and worked examples along with step-by-step support for the new quantitative element ensure exceptional achievement. · Multiple activities to practice essential skills, improving exam performance · Information on designing, selecting and using diagrams to explain challenging concepts · Clarifies tricky terminology and guides the correct use of language · Includes examples and model answers to ensure full comprehension and strengthen exam potential · Detailed, step-by-step guidance on the new quantitative element of the syllabus to help students succeed · Helpful guidance and advice on the Internal Assessment and the Extended Essay, ensuring high-quality work About the Series: IB Skills & Practice books are designed to provide IB students with a step-by-step approach to practicing the skills needed for success on exams. Oxford's IB Skills & Practice books are packed with guidance, assessment support, and practical tasks. Aligned with current syllabuses these indispensable books are a must-have for all IB students.

Arranged in four sections, provides review exercises and past examination questions for topics in microeconomics, macroeconomics, interantional economics, and development economics.

Our bestselling IB Diploma course book for Economics has been revised and updated in line with the 2011 syllabus change. Now in colour, with increased diagrams and photographs to support students' learning as well as a CD-ROM that contains 17 handy revision sheets, specimen papers, glossary, and weblinks for further research.

This guide provides crisp revision of all syllabus topics with detailed support for constructing, analysing and labelling diagrams to assist with complete understanding. In addition, students will learn how to design, select and use diagrams to explain concepts while answering examination questions. A 'tips' section provides practical suggestions and a complete glossary provides a much needed teacher and student reference. In addition, there are guidelines on examiner recommendations along with exam practice and a selection of past questions.

Student textbook and online resources written specifically for the 2011 curriculum Key features: Clearly differentiated content for both Standard and Higher Level students. Includes highly visual graphs and topical examples to aid students' understanding of real-world economics. Contains answers to quantitative exercises found throughout the book. Integrated with free online learning resources at www.pearsonbacconline.com to support and extend study. Written in clear, accessible English for students whose first language is not English. For your local prices please contact your Pearson representative.
