Isoline lab answer key Before the next section, I have students moving to lab groups. As noted in my other traditional lab days, I teach in a normal class. Students have paired tables (they sit two to a larger table), but it still requires them to combine tables to form their lab groups of four (4) students. So, for this I have students to

Isoline lab answer key

Iso Line Lab Answer Key | confrontingsuburbanpoverty Isolines close together show a high gradient, isolines far apart represent a low gradient. in nature, gradients usually indicate a flow from the higher values toward the lower values (for example, air moving from high pressure to low pressure and heat moving from areas of high temperature to areas of low temperature).
