Abel James eats like a king, never goes to the gym, and is in the best shape of his life. His plan is simple: eat plenty of whole and naturally edible foods, and be sceptical of manipulated, processed food products. In The Wild Diet, he brings readers a Paleo-inspired 40 day weight loss program, showing how the answer to vibrant health doesn't live in a calorie-restricted diet, a magical fat-blasting pill or a miserable exercise program. The secret is sticking to our roots and knowing where our food comes from.

A step-by-step diet and exercise plan from social media sensation and fitness guru Michelle Lewin, The Hot Body Diet reveals the star's insider tips and tricks for sustainable weight loss and a toned bikini body. How you do maintain a perfect body? For years, fans have been asking Venezuelan fitness model Michelle Lewin this very question. Known for her enviable curves, washboard abs, and super strength, Lewin's physique has earned her millions of fans who are eager to learn her diet and exercise secrets. And now, with help from certified health coach Dr. Samar Yorde, she will share the keys to her weight loss and weight management for the first time. Lewin has created an easy-to-follow, step-by-step diet and exercise plan that has amazing benefits for all body types. She shares stories and struggles from her own weight loss journey, offering support in creating a healthy transformation. With meal plans, recipes, exercise tips, and an FAQ section from actual followers, The Hot Body Diet will help women achieve the strong, svelte bikini body that Michelle Lewin has made famous.

Mention the name Bill Phillips to any of the people he’s helped transform and you will see their faces light up with appreciation and respect. These people include: Hundreds of thousands of men and women who read his magazine for guidance and straightforward information about exercise, nutrition, and living with strength. Elite professional athletes, among them John Elway, Karl Malone, Mike Piazza, and Terrell Davis ?ho have turned to Phillips for clear-cut information to enhance their energy and performance. People once plagued by obesity, alcoholism, and life-threatening ailments who accepted a personal challenge from Bill Phillips and, with his help, have regained control of their bodies and their lives. When you begin to apply the information in this book, you will be proving to yourself that astounding changes are within your grasp too. And, you will discover Body-for-LIFE is much more than a book about physical fitness ?t's a gateway to a new and better life, a life of rewarding and fulfilling moments, perhaps more spectacular than you've ever dared to dream before. Within 12 weeks, you too are going to know ?ot believe, but know : that the transformation you've created with your body is merely an example of the power you have to transform everything else in your world. In language that is vivid and down-to-earth, Bill Phillips guides you, step by step, through the integrated Body-for-LIFE Program, which reveals: How to lose fat and increase your strength by exercising less, not more; How to tap into an endless source of energy by living with the Power MindsetTM; How to create more time for everything meaningful in your life; How to trade hours of aerobics for minutes of weight training ?ith dramatic results; How to make continual progress by using the High-Point TechniqueTM; How to feed your muscles while starving fat with the Nutrition-for-LIFE MethodTM; How thousands of ordinary people have now become extraordinary and how you can, too; How to gain control of your body and life, once and for all. The principles of the Body-for-LIFE Program are surprisingly simple but remarkably powerful. So allow yourself to experience the force of the information in this book, allow yourself to take your mind, your body, your life to a higher point than you may have ever dreamed you could. All in as little as 12 weeks.

This groundbreaking book dispels the myths perpetuated by some bestselling diet books that may help people lose weight, but will put them on the fast track to disease. Based on sound research and the success of thousands of people, The Schwarzbein Principle proves that excess weight, degenerative disease and accelerated aging can be controlled — and reversed — in a healthful way. The Schwarzbein Principle is a holistic guide to achieving lasting weight loss, normalizing metabolism and maintaining ideal body composition through lifestyle and nutrition. By bringing the internal systems into balance, the Schwarzbein program has been proven to: reverse type II diabetes; free people from food cravings for chocolate, caffeine and sugar; cure depression and mood swings; and reduce body fat while building lean tissue. The nutritional program consists of two phases —Healing and Maintenance — which are easy to adopt into any lifestyle. Instead of shunning fat, the program advocates eating all of the good fats and proteins your body needs as well as an unlimited portion of non-starchy carbohydrates. By incorporating the lifestyle components of stress management, exercise and eliminating harmful stimulants, program participants experience renewed energy and vitality. Don't forget to check out the

This beautifully photographed book is your complete guide to the world's most famous, effective and sustainable diet by one of Australia's leading researchers. The Mediterranean Diet is the diet on which others are based. Its positive health effects have been rigorously tested for more than 60 years, and the results are clear. The diet has been proven to prevent heart disease and diabetes, help with weight management, slow the progress of Alzheimer's and promote longevity. Dr Catherine Itsiopoulos has spent her working life researching the diet. Drawing on the food traditions of her Greek heritage, Dr Itsiopoulos provides 80 delicious recipes, eating plans and nutritional advice, as well as sharing the evidence as to why this diet is the gold standard of healthy eating. Sustainable, satisfying and suitable for the whole family, this is a diet for life, one that celebrates the pleasures of food as much as it promotes long-term good health and wellbeing.
