Don't Lose Your Saltiness! "You are the salt of the earth; but if the salt loses its flavor, how shall it be seasoned? It is then good for nothing but to be thrown out and trampled underfoot by men." -- Matthew 5:13 NKJV What can you do or change to stay salty? Seasonin' Salt is a perceptive work designed to identify the elements in the life of the believer that may have an effect on its saltiness. This book contains one hundred short scripturally based lessons-called "seasonin'"-on subjects such as thinking, growing, words, fruit, faith, time, giving, and vision that are designed to enhance one's saltiness and increase one's fruitfulness. Absorb the material and gain an awareness of what it means to be the salt of the earth. Learn which elements are necessary to maintain that status. Includes Scriptures for further study and affirmations for self-empowerment. We cannot make the world thirsty for the Word of God if we are not salty. Over the next one hundred days, let Dr. Peterson help you maintain your flavor and savor with Seasonin' Salt.

Research applications are discussed and illustrated with descriptions of exemplary studies. New to This Edition *Current developments in theory, research, and instructional practices. *Useful pedagogical features in every chapter: framing questions, discussion ideas, and learning activities. *Classroom applications give increased attention to English language learners and technology integration. *Coverage of additional theories (Third Space Theory) and theorists (Bakhtin and Bourdieu).
