Liberty, Equality, Fraternity (James Fitzjames Stephen) [Liberty Equality And The Law](#)

Both serve "liberty," "equality," and "legality" by preventing public or private oppression. Allan rightly identifies "liberty" as citizenship under the rule of law, "legality" as governance under the rule of law, and legal "equality" as a comprehensive respect for human dignity, secured by the rule of law.

The law of equal liberty is the fundamental precept of liberalism and socialism. Stated in various ways by many thinkers, it can be summarized as the view that all persons must be granted the maximum possible freedom as long as that freedom does not interfere with the freedom of anyone else. While socialists have been hostile to liberalism, accused of "providing an ideological cover for the depredation of capitalism", it has been pointed out that "the goals of liberalism are not so different fro

*Liberty or Equality? by Ashutosh Avinash Bhagwat :: SSRN*

This chapter argues that, if liberty is understood strictly in its “negative” sense, that is, as the absence of obstacles to action imposed by humans, then Isaiah Berlin and Ronald Dworkin and others are mistaken in claiming that there is a conflict between the respective demands of liberty and equality. This chapter demonstrates that there is no such conflict because any gain in some person’s liberty is accompanied by a loss in liberty on the part of others, even if certain values ...
