The 2019 F1 calendar marked the 70th running of the world championship. Ferrari were pre-season favourites, but Mercedes were first out of the blocks, winning the opening eight races, the first five with one-two finishes. That set up Lewis Hamilton for an historic sixth drivers' crown, though the Silver Arrows far from had things all their own way. Ferrari's rising star Charles Leclerc ...

Censorship in Polish Art After 1989 is a pioneering work on censorship in Polish art after the fall of the USSR available in English for the first time with a skilled translation by Lukasz Mojsak. Polish Art Historian Jakub Dabrowski, with contributions from Anna Demenko, offers the first comprehensive study to analyze the problems of restricting the freedom of artistic expression in the Third Polish Republic. The book includes two complementary approaches - legal and historical (including political and social aspects of the phenomenon). Based on the collected factographic material, Dabrowski captures the characteristic qualitative and quantitative characteristics of the phenomenon studied in time. He enters his considerations in a wider social, political, artistic and media context, at the same time pointing to

This volume shows that in today's globalized world, clusters are an important factor in explaining the different growth rates of firms, cities and regions. Drawing on the expertise of an international contributor team, it covers topics such as clusters and small and medium-sized enterprise competitiveness, innovation and science parks, clusters and multinationals, and information and communication technology clusters. It reveals great diversity in terms of the origin of clusters, the organizational relationships at play, and the characteristics of the firms involved. Taking lessons from a rich variety of literature and empirical cases, the book provides valuable insights for regional development and industrial policy. Economic Clusters and Globalization will be of interest to scholars and policymakers in economic

up blogger boss. She can barely afford rent in her stupid London flat. Her best friend seems to have all her sh\*t together. Oh, and that date she was so excited about? She got dumped. On the London Eye. In the middle of a thunderstorm. With a bunch of tourists watching... Best friend Mila decides that Jasmine needs a new 'type on paper', because Jasmine's current criteria is so off that her dating history is one long line-up of fools. So Mila challenges Jasmine to look once, if not twice, at the guys who wouldn't normally fit her 'type'. With nothing to lose, Jasmine accepts. Maybe, just maybe, she'll surprise herself.
