Secret Dialogues uncovers an unexpected development in modern Latin American history: the existence of secret talks between generals and Roman Catholic bishops at the height of Brazil's military dictatorship. During the brutal term of Emílio Garrastazú Médici, the Catholic Church became famous for its progressivism. However, new archival sources demonstrate that the church also sought to ...

Secret Dialogues Pitt Latin American Series

Based on more than 60 interviews and primary sources from three continents, Secret Dialogues is a major addition to the historical narrative of the most violent yet, ironically, the least studied period of the Brazilian military regime. Its story is intertwined with the central themes of the era: revolutionary warfare, repression, censorship, the fight for democracy, and the conflict between Catholic notions of social justice and the anticommunist Doctrine of National Security.
