The Control Book is about the fine art of taking control of your partner. It's about the processes involved, about taking control, using control, about ensuring that you have control, and---importantly---about giving control back once you are done with it. The book discusses how this works---the psychology of it---and looks at what can go right, and at what can go wrong and how to fix it.

The following is an extract from The Control Book by Peter Masters, pp. 59 - 64: In the last section I talked about the transfer of control process and listed its four basic steps. The actions which the person taking control, the dominant, do are very quick, taking typically no more than a second or two.

~~The Control Book—Consolidating control—Peter Masters Wiki~~
This is a very interesting book that looks at three different locations where people have tried to control nature and live where history and perhaps common sense says they probably shouldn't: The Mississippi River has an enormous flood plain. People have been building levees for at least a couple of

Self-Efficacy: The Exercise of Control is a psychology book written by Albert Bandura in 1997 on self-efficacy, i.e. a person's belief in their own competence. The book addresses issues ranging from theoretical discussions to developmental analyses. Translations have been published in Chinese, French, Italian, and Korean.

The Control Book by Peter Masters is not your typical book on dominance and submission. In my experience the typical kink book spends the bulk of its time on the what and the why of bondage and SM. They look on D/S as almost an afterthought, or a product of the other things that we do, as though if you spank them it will come.

~~Using a Project Control Book~~

Control by Lydia Kang is the first in a trilogy about Zelia trying to find her sister, Dylia (yes, the names rhyme, but Kang admits that in the text). Dylia is coveted for her genetic code--there's something about her that is extremely special, and after they become orphaned, they are torn apart.

This free Take Control book is here to help. Take Control of Zoom Essentials gets you quickly up to speed, including installing a Zoom app or using Zoom in a browser if you haven't yet done so. It takes you through setup of your hardware, physical space, and Zoom apps, and teaches you to be an effective participant in meetings, including sharing your screen.

~~Products—Take Control Books~~

Book deals with corporate espionage concerning computers and that was the only detraction. Baldacci keeps the plot at a fast pace throughout and the finish is in doubt up to the last minute. Highly recommended, especially to Baldacci fans.
