"There is this guy Eminem. He has created a sense of what is possible. He has sent a voltage around a generation. He has done this not just through his subversive attitude but also his verbal energy." - Seamus Heaney, Nobel Prize Winner in Literature A decade ago, Eminem exploded onto the world with *The Slim Shady LP*, introducing millions of people to his addictive rhymes, just don't give a f\*\*\* attitude, and trailer trash style. Since then he has sold more than 70 million records, reeled in four Grammys and even won an Oscar. Now he has a new record slated for release later in 2008. *The Way I Am* is Eminem at his best: funny, raw, and disarmingly honest as he reflects on the people, places, and events that have made him who he is today. With never-before-published photographs, artifacts, and mementos from his life, Eminem shares some stories about a childhood bouncing from school to school, his struggles to support his young family on Detroit's East Side, the challenges of learning the rap game, and what his daily life is like now. *The Way I Am*

also showcases Eminem's songs, with in-depth discussions of his writing process and his work in the studio with Dr. Dre. Original lyric sheets for hits such as "Lose Yourself" and "Stan" are printed as facsimiles in the book along with loads of personal snapshots and Polaroids, original illustrations by Eminem himself, concert flyers, a visual tour of the star's Detroit haunts, and behind-the-scenes photos of concerts and life on the road.

does eminem matter? On assignment for his first cover story for Rolling Stone, the very first national cover story on Eminem, Anthony Bozza met a young blond kid, a rapper who would soon take the country by storm. But back in 1999, Eminem was just beginning to make waves among suburban white teenagers as his first single, "My Name Is," went into heavy rotation on MTV. Who could have predicted that in a mere two years, Eminem would become the most reviled and controversial hip-hop figure ever? Or that twelve months after that, Eminem would sit firmly at the pinnacle of American celebrity, a Grammy winner many times over and the recipient of an Oscar. did eminem change or did america finally figure him out? Whatever You Say I Am attempts to answer this question and many more. Since their first meeting, Bozza has been given a level of access to Eminem that no other journalist has enjoyed. In Whatever You Say I Am, original, never-before-published text from Bozza's interviews with Eminem are combined with the insight of numerous hip-hop figures, music critics, journalists, and members of the Eminem camp to look behind the mask of this enigmatic celebrity. With an eye toward Eminem's place in American popular culture, Bozza creates a thoughtful portrait of one of the most successful artists of our time. This is so much more than a biography of a thoroughly well-documented life. It is a close-up look at a conflicted figure who has somehow spoken to the heart of America.

Today's hottest rapper` the enigmatic Eminem` delivers a provocative collection of his uncensored lyrics, complete with personal commentary on each controversial song. Angry Blonde is the only official Eminem book on the market, done with the complete authorisation and support of the rap superstar. Eminem is a multi-platinum recording artist whose albums The Slim Shady LP and The Marshall Mathers LP have sold nearly nine million copies combined. Eminem's most recent release, The Marshall Mathers LP, made music history as the fastest-selling album from a solo act in Billboard history` it sold 1.76 million copies in its first week and has netted 6 million copies to date. ? Entertainment Weekly called The Marshall Mathers LP "The first great pop record of the 21st Century." Eminem is everywhere. His face has graced the covers of Rolling Stone, Entertainment Weekly, and Spin, among other magazines; he has a Pay-Per-View special slated for Christmas 2000; and he will be performing at the MTV Video Music Awards this September. Eminem's personal life is also garnering him a lot of media attention: he's currently being sued for defamation of character by his mother and faces two separate assault charges. Along with his controversial lyrics and Eminem's own commentary on them, Angry Blonde will feature never-before-published photos.

THE SEQUEL TO THE NEW YORK TIMES BESTSELLER WHATEVER YOU SAY I AM, CHRONICLING THE PAST TWENTY YEARS OF RAPPER EMINEM'S LIFE, BASED ON EXCLUSIVE INTERVIEWS WITH THE ARTIST, HIS FRIENDS, AND ASSOCIATES "A passionate look at the Detroit rapper's music . . . an expert and thoughtful assessment." - Booklist In 1999, a former dishwasher from Detroit named Marshall Bruce Mathers III became the most controversial and polarizing musical artist in the world. He was an outlier, a white artist creating viable art in a black medium, telling stories with such verbal dexterity, nimble wit, and shocking honesty that his music and persona resonated universally. In short, Eminem changed the landscape of pop culture as we knew it. In 2006, at the height of his fame and one of the biggest-selling artists in music history, Eminem all but disappeared. Beset by nonstop controversy, bewildering international fame, a debilitating drug problem, and personal tragedy, he became reclusive, withdrawing to his Detroit-area compound. He struggled with weight gain and an addiction to prescription pills that nearly took his life. Over the next five years, Eminem got sober, relapsed, then finally got and stayed clean with the help of his unlikely friend and supporter, Elton John. He then triumphantly returned to a very different landscape, yet continued his streak of number one albums and multiplatinum singles. Not Afraid picks up where rock journalist Anthony Bozza's bestselling Whatever You Say I Am left off. Capturing Eminem's toughest years in his own words, as well the insights of his closest friends and creative collaborators, this book chronicles the musical, personal, and spiritual growth of one of hip-hop's most enduring and enigmatic figures.

The Dark Story of Eminem is the best-selling, ground-breaking biography of Marshall Mathers, tracing his fierce rise from the schools and factories of Detroit to global superstardom - Now updated to investigate the violent death of his best friend Proof, his debilitating drug addiction, four-year disappearance from the public view and his triumphant comeback album Recovery. In researching this phenomenal story, Nick Hasted spent much time in Detroit, tracking down friends and foes of Marshall Mathers. In racially-divided Detroit the future rapper experienced first-hand the social conflicts that would fuel his later radicalism. From the depths of being a suicidal no-hoper, he triumphed against his class and triumphed against prejudice; despite being continually reviled, sued and criticised, Marshall Mathers forged his way to becoming a defining cultural force of the early millennium. This unflinching portrait also lays bare Eminem's relationships with his much-hated mother, his teenage soul-mate Kim Scott, his mentors Dr. Dre and The Bass Brothers, and his own protégé 50 Cent. Never before has a book delved so deep an poignantly into this troubled figure. "A serious and even handed account." - Q magazine "This is the best of a sudden flurry of biographies charting the rise of this brilliant, troubled Detroit rapper." - Daily Telegraph

Provides a detailed account of the rap musician's childhood and early career from the perspective of his mother, including behavioral problems and

depression in his youth and his fabricated past that slandered his mother.

Internet bad boy EminemsRevenge, who many consider to be the Howard Stern and Dave Chappelle of blogging, brings those talents to literature, and "Jew Girl" is the result. This book is a post 9/11 story that will completely redefine any misconceptions you may have of NYC, as it takes you on a magical mystery tour through the looking glass and exposes the sordid underbelly of the Big Apple. THIS BOOK is not recommended for country kids NOT FAMILIAR with the hustle and buslte that IS the backbone on a NYC-like Sodomoria!!!

Eminem is the best-selling musical artist of the 21st century. He is also one of the most contentious and most complex artists of our time. His verbal dexterity ranks him among the greatest technical rappers ever. The content of his songs combines the grotesque and the comical with the sincere and the profound, all told through the sophisticated layering of multiple personae. However one finally assesses his contribution to popular culture, there's no denying his central place in it. This collection of essays gives his work the critical attention it has long deserved. Drawing from history, philosophy, sociology, musicology, and other fields, the writers gathered here consider Eminem's place in Hip Hop, the intellectual underpinnings of his work, and the roles of race, gender and privilege in his career, among various other topics. This original treatment will be appreciated by Eminem fans and cultural scholars alike.
