Each page contains a reflection on a quotation from A.A. Conference-approved literature, such as Alcoholics Anonymous, Twelve Steps and Twelve Traditions, As Bill Sees It and other books. These reflections were submitted by members of the A.A. Fellowship who were not professional writers, nor did they speak for A.A. but only for themselves, from their own experiences in sobriety. The words of this book 's title are said aloud every day by thousands of people meeting together to help each other recover from addiction.s the addictions may be to alcohol or cocaine, gambling or food, violence or sex, but the path to recovery is the same. design of living and the principles of living a successful life, we find that we not only get over the problems we see, but we avoid many other problems we would have had. To me, the miracle is that all this was boiled down into twelve simple Steps that anybody can apply. This is a book of plain-spoken wisdom for people with addictions and people who love them. Joe McQ has been a student of the Twelve Steps for more than three decades. He, like tens of thousands of others, lives them every day, one day at a time. In *The Steps We Took*, Joe takes us through them, one Step at a time, and helps us understand how they work-and how they can change our lives.
