Learn to Pray—And Change the World // "You're in Our Prayers" has become a cliché. Just a nice thing to say when we see someone struggling. But do we really understand the power of prayer? God, God Almighty, God the Creator of the heavens and the earth, God the Beginning and the End, God the Source of all that is, God the Creator of man—the same God, in all His power and all His majesty, stops and listens when you pray. God has given humanity the ability to bring heaven to earth. Whether you know it or not, you have the authority to change the world through prayer. When God said, "Let mankind rule over all the earth," He was arranging the dominion of the world so that the partnership of mankind was essential for the accomplishment of His purposes. Through his unique perspective on this often-misunderstood subject, best-selling author Dr. Myles Munroe takes the mystery out of prayer, providing practical answers for difficult questions about communicating with God. In Understanding the Purpose and Power of Authority, best-selling author Dr. Myles Munroe turns the widely accepted but counterfeit concept of authority upside down. Then, he reveals God's original intent, showing us how to live in the freedom of our own personal authority in God's great design and to respond positively to the inherent authority of others. Many people view authority as something oppressive, stifling, and even fearful. All of us hate to be controlled or manipulated. Our negative concepts and experiences of authority produce life-draining emotions—fear, distrust, suspicion, friction, defensiveness, antagonism, stress, worry, and dread. Others have a limited perspective of what authority means, believing that only people who reach a certain "level" in life can exercise it. They don't believe they could ever be called to a place of authority. The truth is, we were all created for authority, and we are all answerable to the authority of others. Authority is what we're authorized to do by our inherent purposes. You have a God-given calling to develop your own personal authority to carry out your unique purpose in life.

Probably no other dimension of human experience has been pondered, discussed, debated, analyzed, and dreamed about more than the nature of true love. Love is everywhere -- in songs and in books, on televisions and on movie screens. Yet, for all of our thinking and talking, how many of us truly understand love and where can we turn for genuine insight in matters of true love?
