Now a major motion picture starring Joaquin Phoenix, *You Were Never Really Here* is a gritty, harrowing story of corruption and one man's violent quest for vengeance. Joe has witnessed things that cannot be erased. A former FBI agent and Marine, his abusive childhood has left him damaged beyond repair. He has completely withdrawn from the world and earns his living rescuing girls who have been kidnapped into the sex trade. When he's hired to save the daughter of a corrupt New York senator held captive at a Manhattan brothel, he stumbles into a dangerous web of conspiracy, and he pays the price. As Joe's small web of associates are picked off one by one, he realizes that he has no choice but to take the fight to the men who want him dead. Brutal and redemptive in equal measure, *You Were Never Really Here* is a toxic shot of a thriller, laced with corruption, revenge and the darkest of inner demons.

In the proud tradition of drunken writers everywhere . . . comes the tale of Jonathan A., a boozed-up, coked-out, sexually confused, hopelessly romantic-and of course, entirely fictional-novelist who bears only a coincidental resemblance to real-life author Jonathan Ames, critically acclaimed author of *Wake Up, Sir!*, *The Extra Man*, and *What's Not to Love* as well as HBO's *Bored to Death* and Starz's *Blunt Talk* Featuring

gritty, yet poignant artwork by Dean Haspiel (*The Quitter*), *The Alcoholic* marks Ames' hilarious yet heartbreaking graphic novel debut. This tenth anniversary edition hardcover also features a new afterword by Jonathan Ames as well as a special behind-the-scenes artist section!

The basis for the HBO® Original Series starring Jason Schwartzman (*Rushmore*), Zach Galifianakis (*The Hangover*), and Ted Danson, *Bored to Death* is a Raymond Chandleresque tale of a struggling Brooklyn writer—curiously named Jonathan Ames—who, in a moment of odd whimsy and boredom, becomes a private detective after spontaneously posting an ad on craigslist. As a rank amateur who just thinks he can help, this Ames alter ego quickly becomes embroiled in the search for a missing NYU coed. He moves from one scrape to the next, all while trying to escape a life of periodic alcoholism, dead-end relationships, writer's block, and hours of Internet backgammon. *Bored to Death* was originally published in *McSweeney's Issue 24* and is the centerpiece of Ames's collection of essays and fiction, *The Double Life Is Twice as Good*. *Bored to Death Artwork* © 2009 Home Box Office, Inc. All rights reserved. HBO® and related channels and service marks are the property of Home Box Office, Inc.

This stunningly intimate collection of stories is an exquisite portrait of a Jewish community — the secular and religious families who inhabit it and the tensions that exist there — that illuminates the unexpected ways we remain connected during times of change. When Uncle Isaac moves back from L.A. to

Read PDF Wake Up Sir Jonathan Ames

help his sister, Elaine Levine, care for her suddenly motherless grandchildren, he finds himself embroiled in even more drama than he would like in their suburban neighbourhood. Meanwhile, a nanny miles from her own family in the Philippines, cares for a young boy who doesn't fit in at school. A woman in mid-life contends with the task of cleaning out the house in which she grew up, while her teenage son struggles with why his dad moved out. And down the street, a mother and her two daughters prepare for a wedding and transitions they didn't see coming. Spanning fifteen years in the lives of a multi-generational family and their neighbours, this remarkable collection is an intimate portrait of a suburban Jewish community by a writer with a keen eye for detail, a gentle sense of humour, and an immense literary talent.

The residents of a North Carolina town weather Hurricane Hugo, and other kinds of storms, in this "smart and funny" collection of linked stories (Daniel Wallace, author of *Big Fish*). The days leading up to the impending disaster are not at all unusual—no portents, no signs of impending calamity. Bryce works his night shift at the hot dog factory, Isaac drives the bus to school, Evelyn attends a funeral. But when the electricity fails in the middle of the night on September 21, 1989, it marks the moment when everything will change: Hugo has arrived. The storm builds, the wind whips by faster and faster, and interpersonal dramas, grudges, and rivalries are dredged up along with the flotsam and debris. Meanwhile, flood markers, painted red, track the height of the water from past rainstorms, and as the

creek level rises higher than ever before, so do the emotions of the townspeople. Floodmarkers has us look bravely at the eye of the storm, as acclaimed author Nic Brown shows us that human nature can stir up a spectacular tempest all its own. "Stories starring lovable slackers and beautiful failures . . . on my List of Favorite Books, right after *The Moviegoer* and just before *Cathedral*. Smart and funny and sexy."

—Daniel Wallace, author of *Big Fish* "Reminiscent of Sherwood Anderson's *Winesburg, Ohio* in both its structure and its tragi-comedic view of a small town . . . his empathy and insight into the human condition is breathtaking." —Jonathan Ames, author of *You Were Never Really Here*

Wildly original novelist, essayist, and performance artist Jonathan Ames delivers his best collection yet—a hilarious, risqué, and loveable selection of articles, essays, and fiction, including several previously unpublished pieces. With an HBO pilot based on this collection's centerpiece ("Bored to Death"), his two hilarious novels, *The Extra Man* and *Wake Up, Sir!*, in development as films (with screenplays by Mr. Ames), a critically acclaimed graphic novel, *The Alcoholic*, under his belt, and an ongoing series of literary and not-so-literary stunts, Jonathan Ames has proven himself to be a writer of diverse and stunning talents. In *The Double Life Is Twice as Good*, fans will be treated to a deft and charming compilation of Ames's journalism, personal essays, and short fiction. Featuring illuminating profiles of Marilyn Manson and Lenny Kravitz, his adventures at a goth festival in the Midwest, a story written for *Esquire* on a napkin, as well as a comic

Read PDF Wake Up Sir Jonathan Ames

strip collaboration with graphic artist Nick Bertozzi, Ames's unique style and personality-driven humor shines throughout this wickedly funny collection. Also included is the aforementioned short story, "Bored to Death," a Raymond Chandler-esque tale about a struggling writer-turned-detective who becomes quickly embroiled in the search for a missing college co-ed. Described by The Portland Oregonian as "an edgier David Sedaris," it's no wonder that this comic mastermind's already fervent and dedicated fanbase is continually growing.

Preparing to marry heir Charles Broughton, attractive accountant's daughter Edith Lavery makes humorous and astute observations about contemporary England's class system. A first novel by the screenplay writer of Gosford Park. Reprint. 100,000 first printing.

But who could describe my fright when, on the next morning, I awoke and found myself feeling as if completely changed into a woman. — Case 129, Autobiography, from *Psychopathia Sexualis*, a Medico-Forensic Study by Richard Von Krafft-Ebing At the time the passage above was written, people who felt trapped in the wrong gender automatically became case-studies. Today they become the men and women they always felt they were. Transsexuals test our notions of what it is to be male or female and, more provocatively, what it means to be one self as opposed to another. "Their stories," says Jonathan Ames, "hold the appeal of an adventurer's tale." In *Sexual Metamorphosis*, Ames presents the personal narratives of seventeen gender pioneers. Here is

Read PDF Wake Up Sir Jonathan Ames

Christine Jorgensen, the first celebrity transsexual, greeting thousands of well-wishers from the stage of Madison Square Garden. Here is Caroline Cossey, former model and Bond (as in James) girl, being outed in the tabloid press. Here is novelist and English professor Jennifer Finney Boylan discussing her impending transformation with her heartbroken spouse and supportive yet confused colleagues. The result is a fascinating and compulsively readable book, filled with anguish, introspection and courage.

Modeled on Dante's Divine Comedy and riffing on Proust's In Search of Lost Time, Iris Has Free Time is a subtle, complicated, funny, bold, lyrical and literary, sad and wise book about youth, time, and what it means to grow up. An instant classic and essential reading for anyone who has ever been young. "There, I came across a cluster of NYU graduates standing in cap and gown. They were laughing and posing for photos. Was it June again already? Their voices echoed through the subway tunnel. 'Congratulations!' 'Congratulations!' their parents said. And I wanted to yell, 'Don't do it! Go back! You don't know what it's like!'" Whether passed out drunk at The New Yorker where she's interning; assigning Cliffs Notes when hired to teach humanities at a local college; getting banned from a fleet of Greek Island ferries while on vacation, or trying to piece together the events of yet another puzzling blackout—"I prefer to call them pink-outs, because I'm a girl"—Iris is never short on misadventures. From quarter-life crisis to the shock of turning thirty, Iris Has Free Time charts a madcap, melancholic course through that curious age—one's twenties—when childhood is over, supposedly.
