When the Imperial shrine world of Kathur is blighted by Choas, the brave Guardsmen of Cadia are sent to reclaim it. The plague of Nurgle has set in deeply on the planet, forcing the Cadians into battle with an innumerable legion of the infected.

Black Library presents the Masterworks - a curated collection of novels celebrating the very best science fiction and fantasy set in the worlds of Warhammer. It is the 31st millennium. Under the benevolent leadership of the Immortal Emperor, the Imperium of Man has stretched out across the galaxy. It is a golden age of discovery and conquest. But now, on the eve of victory, the Emperor leaves the front lines, entrusting the great crusade to his favourite son, Horus. Promoted to Warmaster, can the idealistic Horus carry out the Emperor's grand plan, or will this promotion sow the seeds of heresy amongst his brothers? Horus Rising is the first chapter in the epic tale of the Horus Heresy, a galactic civil war that threatened to bring about the extinction of humanity.

Sixteen-year-old Avery West continues her journey across Europe with Jack and Stellan, following clues that she hopes will lead to Alexander the Great's tomb and the secret it holds.

Book 1 of the brand new 9 part mega-series from Warhammer 40,000. A great darkness has befallen the galaxy, and the armies of Chaos are rampant. To survive, humanity must retaliate and take back what they have lost. By the will of the reborn primarch, Roboute Guilliman, is the Indomitus Crusade launched - a military undertaking that eclipses all others in known history. From the Throneworld of Terra does the Avenging Son hurl his fleets, their mission the very salvation of mankind. As vessels in their thousands burn through the cold void, the attention of Fleetmistress VanLeskus turns to the Machorta Sound - a region under attack by a dreaded Slaughter Host of the Dark Gods. The success of the Indomitus Crusade will be determined by this conflict, and the desperate mission of Battlegroup Saint Aster, led by Space Marine Lieutenant Messinius. Even then it is but a prelude to the forthcoming bloodshed.

Led by their primarchs, the Word Bearers and World Eaters Legions ravage the realm of Ultramar The Shadow Crusade has begun. While the Ultramarines reel from Kor Phaeron's surprise attack on Calth, Lorgar and the rest of the Word Bearers strike deep into Ultramar. Their unlikely allies, Angron and the World Eaters, continue to ravage each new system they come across - upon the garrison planet of Armatura, this relentless savagery may finally prove to be their undoing. Worlds will burn, Legions will clash and a primarch will fall.

Control dinosaurs.Tame women.Rule the world.Separated from his tribe and alone in Dinosaurland, Victor Shelby must make his way through endless miles of deadly prehistoric wilderness so that he can return to his beautiful alien women.But on his way, he makes a discovery that will develop the technology of the tribe ten fold.Now he just has to live long enough to bring it back.

Book 2 in the Warhammer 40,000 Mega-series, "Dawn of Fire". As the Indomitus Crusade begins, great fleets warships leave Terra on a desperate mission to stabilise Imperium Sanctus in the wake of the Great Rift. The returned primarch, Roboute Guilliman, leads a huge force towards the shrine world of Gathalamor, whose stable warp routes will allow the flotilla to spread across the beleaguered southern half of the Imperium. But grave tidings reach the Imperial Regent's ears. Warnings from an ancient race and eerie silence from the army tasked with holding the crucial world until his arrival, lead Guilliman to send a vital mission to Gathalamor; at its head, Shield-Captain Achallor of the Adeptus Custodes. Achallor discovers a world on the brink, a beaten Imperial force and sinister agents of Abaddon the Despoiler who have unearthed an ancient evil, a weapon that when harnessed not only threatens the primarch, but perhaps the holy Throne of Terra itself...

It's been said that for any event, there are an infinite number of possible outcomes. Our choices determine which outcome will follow, and therefore all possibilities that could happen do happen across countless alternate realities. In these divergent realms, known history is bent, like white light through a prism -- broken into a boundless spectrum of what-might-have-beens. But in those myriad universes, what might have been...is what actually happened. A Less Perfect Union: More than a hundred years after the Terra Prime movement achieved its dream of an isolationist Earth, humanity is once again at a fork in the river of history...and the path it follows may ultimately be determined by the voice of a single individual: the sole surviving crewmember of the first Starship Enterprise.™ Places of Exile: Midway through Voyager's journey across the galaxy, Captain Kathryn Janeway and Commander Chakotay must choose whether to brave a deadly war zone or abandon their quest for home. But an attack by Species 8472 cripples the ship, and the stranded crew must make new choices that will reshape their destinies...and that of the Delta Quadrant itself. Seeds of Dissent: Khan victorious! Almost four centuries after conquering their world, genetically enhanced humans dominate a ruthless interstellar empire. But the warship Defiance, under its augmented commander, Princeps Julian Bashir, makes a discovery that could shake the pillars of his proud civilization: an ancient sleeper ship from Earth named the Botany Bay.

Four novellas that focus on the events of the second Damocles Gulf Crusade Two centuries ago, the Imperium of Man and the upstart Tau Empire fought to a standstill in the Damocles Gulf. Now, as the 41st millennium draws to a close, the tau have returned. As the world of Agrellan falls under attack, the White Scars and Raven Guard rush to its defence, but with the skilled Commander Shadowsun leading the alien forces, the Space Marines and their allies are hard pressed. Kor'sarro Khan, Huntmaster of the White Scars, swears that he will win the day in the most direct way possible - by taking Shadowsun's head.

For millennia, Asdrubael Vect has ruled the dark city of Commorragh, crushing any who dare to cross him. His reach is long and his position unassailable ... or so he thinks. A cabal of rebellious archons, allied with other, darker, forces seek to unseat the tyrant and rule the city in his stead. But as their actions bring about a cataclysm and draw the attention of the mysterious Harlequins, they are cast into grave danger ... and Vect is watching.
